Junior Software Developer | Open to Remote Opportunities | Open to entry-level Job Oppotunities

25 Saint Ermins ST, Johannesburg +27738349023 molelekishoez@gmail.com

[Mosa Moleleki](#) [Mr-Shoez](#)

## Summary

A highly motivated and disciplined and results-oriented early-stage software developer with a strong foundation in Java, Python, and modern web technologies. Proven ability to work autonomously and manage projects end-to-end, as demonstrated by the creation of the Blueprint Room platform. An excellent written and verbal communicator, seeking to apply problem-solving skills and a passion for technology in a fully remote developer role.

## Experience

### Sesli Blankets & Home

Sales Assistant

1090 Anvil Road, Robertville, Johannesburg, Gauteng

March 2024 - November 2024

- Excelled in a results-driven environment, honing skills in clear communication, adaptability, and independent problem-solving to meet client needs effectively.

## Skills

### Java Development

Experience includes writing clean, efficient code for application functionality and database interaction. Actively developing skills to contribute to robust, scalable back-end systems suitable for a distributed team environment.

Java, Back-End Development, Software Engineering, OOP, Object-Oriented Programming, API Development

### Asynchronous Communication

Excellent written and verbal communication skills honed in a client-facing sales role, adapted for a remote work environment. Capable of providing clear, concise updates, documenting work thoroughly, and collaborating effectively with a distributed team across different time zones.

Asynchronous Communication, Remote Collaboration, Written Communication, Teamwork, Documentation

### sales and persuasion

Confident in presenting ideas and influencing decisions.

### Communication

Excellent verbal and written communication skills.

### Customer Service

Passionate about providing exceptional service and support.

## Certifications

### Certificate in App Development

FNB App Academy (via IT Varsity)

July 2025

## Languages

### Sesotho

Native or bilingual proficiency. This is my home language, and I am completely fluent in speaking, reading, and writing.

### Afrikaans

Professional working proficiency. Able to participate in business meetings, understand technical conversations, and handle most work-related communications with confidence.

### Sepedi

Conversational proficiency. Able to understand and participate in general day-to-day conversations with colleagues and build rapport in social settings.

### English
